CORBIN ROBB

Full-Stack Web Developer

corbinrobb@gmail.com | 303-875-1783 | Denver, CO
Portfolio | GitHub | LinkedIn

SKILLS

React | JavaScript | Redux | HTML | CSS | Jest | Python | Node | Express | SQL | PostgreSQL

PROJECTS

Secret Family Recipes | React Developer   GitHub

App for easily writing and organizing family recipes

React | Redux | JavaScript | Node | HTML | CSS

- Created the CRUD API calls and handled the updating and displaying the returned data
- Developed the application state using actions, dispatches, and reducers with Redux
- Collaborated remotely on a team of 5 developers to build a fully functional application in a week

Conway's Game of Life | React Developer   GitHub

A recreation of Conway's Game of Life, the famous simulation of cellular automaton

React | JavaScript | HTML | CSS

- Solely responsible for designing, developing, and deploying
- Developed an algorithm to create and traverse a 2D array and apply the Game of Life's rules to cells

DevDesk Queue | React Developer   GitHub

App made to create and organize help tickets for Lambda School students and team leads

React | JavaScript | Node | HTML | CSS

- Developed the login form and added validation
- Organized component routing and local data persistence
- Collaborated remotely on a team of 4 developers to build an application in a week

---

EXPERIENCE

Bartender | Comedy Works South | Greenwood Village, CO   Sep 2015 - Nov 2018

- Optimized bar area for a single bartender to efficiently handle 100 covers within an hour
